STRONG & VERSATILE

3 PIECE ADJUSTABLE WRENCH SET FOR TRADESPEOPLE, MECHANICS & DIYERS ALIKE

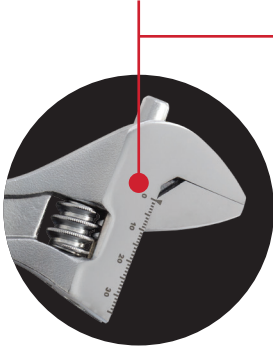

- **6", 8" & 10" Adjustable Design** – Including 6" - 0.8125" | 21mm jaw capacity, 8" - 1" | 27mm jaw capacity, & 10" - 1.1875" | 30mm jaw capacity, this versatile set handles everyday tasks with ease
- **Adjusting Knurl** - Allows quick, one-handed size changes with excellent grip and control—even when wearing gloves or working in oily conditions
- **Firm locking Mechanism** - Engineered to prevent jaw slippage or loosening during use, ensuring a secure grip and reliable torque on every turn
- **Anti-rust Coating** - Protective finish prevents oxidation and rust, extending the life of the tool in damp or harsh shop environments
- **Satin & Polished Chrome Finish** - The Satin finished beam provides a professional look and added corrosion resistance, while the polished face improves visibility in low-light work areas

SET: SXAWS3C / INDIVIDUAL WRENCHES: SXAW4C/SXAW6C/SXAW8C/SXAW10C/SXAW12C/SXAW15/SXAW18C
