SUNEX® TOOLS

ULTIMATE SOLUTION FOR PROFESSIONAL AND INDUSTRIAL NEEDS

MASTER IMPACT SOCKET & BIT SOCKET SET

222 PIECES

- **Master Set Designed and Developed for Auto Techs -** Standard & Deep Sockets with Star, E-star, Stubby Triple Square, Stubby Tamperproof Star, Hex Bit Sockets, U-joints, Extensions and Adapters
- **CR-MO Steel -** Crafted from premium chrome molybdenum alloy steel, these sockets deliver maximum strength, durability, and impact resistance
- **Radius Corner Design -** Sockets are designed with a radius corner to improve fastener engagement, minimize rounding, and reduce wear on both the tool and fasteners extending their lifespan
- **Dual Size Markings -** Each socket features high-visibility laser markings and permanent stamped markings, ensuring quick, accurate size identification in low-light & after prolonged use
- **Versatile Bit Sockets -** Features impact bit sockets including Star, E-star, Stubby Triple Square, Tamperproof Star, and Long Hex Bit Sockets for any job
- **Universal Joints -** Engineered for 360° rotation, these universal joints allow access to hard-to-reach fasteners, offering up to a 30° angle of flexibility for superior versatility and ease of use.
- **Adjustable Socket Rails -** Comes with 16 rails featuring independently adjustable studs, accommodating standard and deep sockets of varying sizes while holding them securely at any orientation for easy storage and access
- **Lifetime Warranty -** Backed by a lifetime warranty that covers all impact sockets with no exclusions
