# STICK WITH PRECISION

THIS MAGNETIC TOOL TRAY HOLDS YOUR  
TOOLS & PARTS RIGHT WHERE YOU NEED THEM

- Rated up to 25 lbs., this folding mat ensures tools and parts are easily organized in the engine bay, lift posts, vehicle and on your tool box
- Secure your fasteners, parts, tools and more with the 10" x 10" Folding Magnetic Tray while keeping them within reach
- Featuring 9 rare earth magnets, a protective PVC layer, and a 25 lb. weight capacity, it's perfect for any automotive workspace

SXMAGBOWL

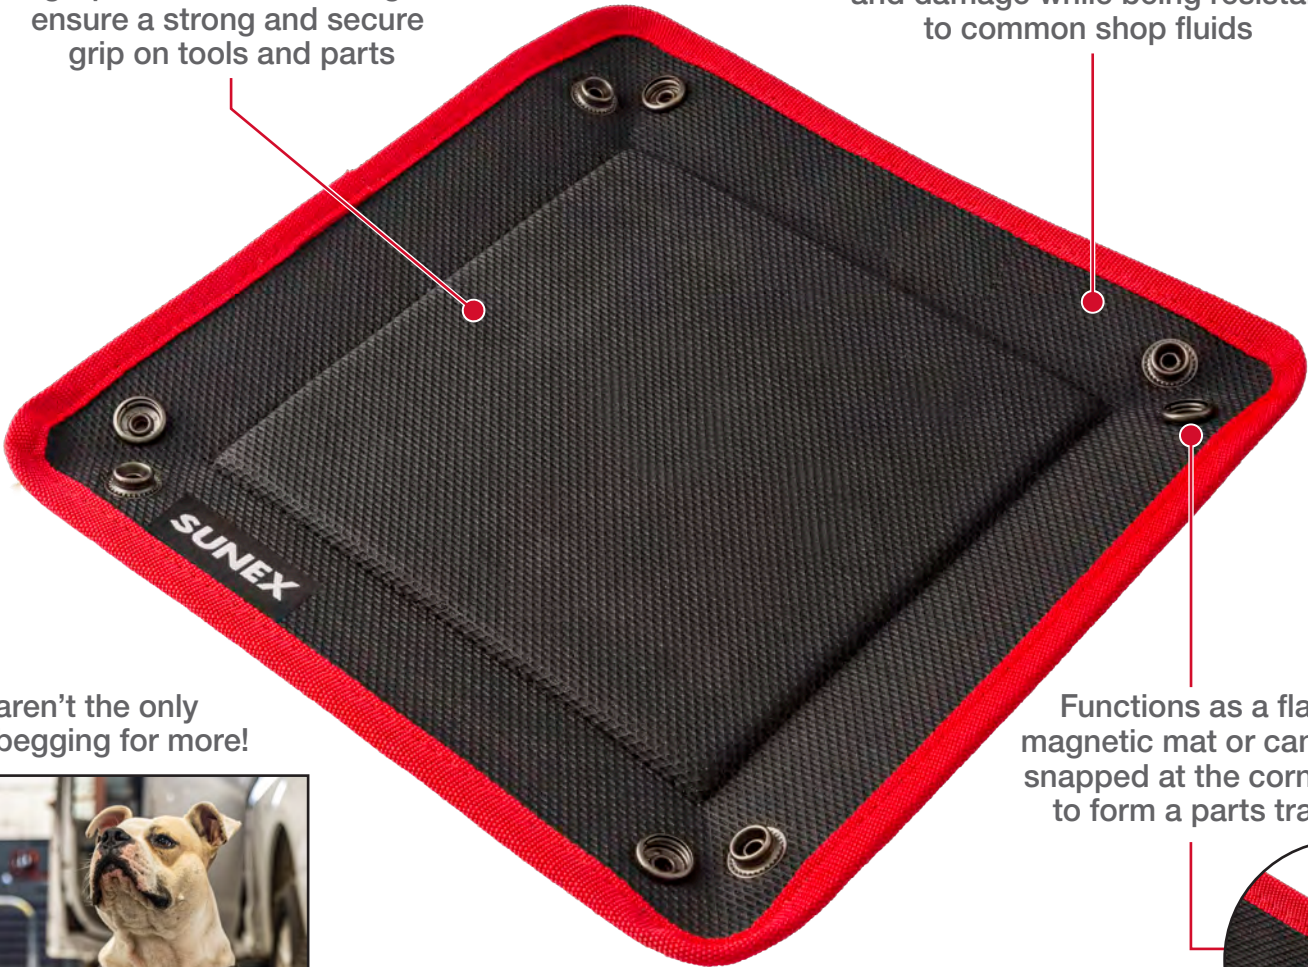

10" X 10" FOLDING MAGNETIC TRAY

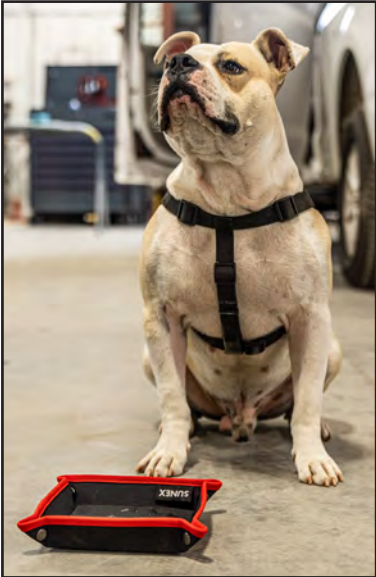

9 high-power rare earth magnets ensure a strong and secure grip on tools and parts

High-quality PVC layer safeguards surfaces from scratches and damage while being resistant to common shop fluids

You aren't the only one begging for more!

Functions as a flat magnetic mat or can be snapped at the corners to form a parts tray

Ultralightweight 10" x 10" mat features a flexible, foldable design, making it perfect for both interior and engine tasks, and for handling ferrous and non-ferrous parts, all while protecting surfaces

SPECIFICATIONS FOR SXMAGBOWL
