**Greer, SC** (February 27, 2023) – SUNEX Tools, a leading innovator in automotive tools, proudly announces the launch of its collection of Hex Key Sets, designed to elevate efficiency and precision in automotive maintenance and repair tasks.

**The 9859TP 9-Piece Tamperproof Torx® Long Arm Magnetized Key Set**

This comprehensive set features long-arm hex keys in nine essential sizes, from T10 to T50, ensuring professionals have the right tool for every application. Magnetized for precise handling, these keys securely hold fasteners during insertion or removal, reducing the risk of mishaps. Crafted to meet or exceed ASME standards, reliability is guaranteed with every turn.

**The 98526BL 26-Piece SAE & Metric Ball End Long Arm Hex Key and 98526L 26-Piece SAE & Metric Long Arm Hex Key Sets**

Meet the 98526BL & 98526L, an epitome of precision and convenience. Boasting both SAE and metric keys, these sets offer unparalleled versatility for automotive tasks. Featuring a long arm design for unparalleled reach, and chamfered edges for seamless insertion, these sets ensure no fastener is out of reach. The ball end design of the 98526BL enhances access with a 25-degree entry angle, reaching even the most intricate fasteners. Backed by a lifetime warranty, SUNEX Tools guarantees enduring peace of mind.

**The 98517F 17 Piece SAE & Metric Folding Hex Key & 98525F 25-Piece SAE, Metric & Torx Folding Hex Key Sets**

Crafted from robust CR-V steel, the 98517F & 98525F embody durability and efficiency. Its color-coordinated packaging streamlines identification between SAE and Metric keys for the 98517F

as well as Torx® for the 98525F, while the user-friendly folding design ensures effortless storage. With chamfered edges for swift insertion, and backed by a lifetime warranty, these set are engineered for a lifetime of reliable performance.
