PREMIUM FULL DRAWER SERVICE CART

High-Quality Construction –

Made from durable 18-gauge (1.2mm) steel with a 600 lb capacity, this service cart is built to last, standing up to your demanding work environment.

Smart Design for Customer Convenience –

Our state-of-the-art design is centered around the technician's needs. The gas shocks effortlessly raise and support the lid, while the locking top with a hinged lid provides added security for your valuable tools.

Barrel Lock Security –

Six locking drawers with premium latching handles provide superior tool protection, keeping your equipment safe, secure, and easily accessible when needed.

Pry Bar & Screwdriver Storage –

Built-in holders provide added convenience, keeping your pry bars and screwdrivers securely stored, neatly organized, secured, and easily accessible when you need them.

Protective Features –

The cart is equipped with protective bumpers that run the full height of the box on all 4 sides, absorbing any accidental damage. Additionally, each of the 6 drawers comes with EVA foam liners, safeguarding your tools.

Effortless Maneuverability –

With (4) swivel casters (2 - locking), this cart moves easily, letting you transport tools with minimal effort. The handle can be mounted on either side of the toolbox for customizable convenience.

Reinforced Drawer Slides –

Each drawer is equipped with heavy-duty ball-bearing slides that provide smooth, full extension access, allowing you to retrieve tools quickly and easily with latching handles.
