For Immediate Release

SUNEX Tools Introduces New Professional-Grade Pliers Sets for Precision, Access, and Organization

Engineered for Control. Designed for the Real World.

Greer, SC (July 1, 2025) – SUNEX Tools expands its professional hand tool lineup with the launch of three new pliers sets, purpose-built for precision handling, tight-space access, and shop-ready organization. From full-size in labeled EVA trays, mini pliers in storage trays to dual-joint extended reach pliers, these new sets deliver ergonomic comfort, long-lasting performance, and serious versatility for technicians, mechanics, and maintenance pros.

SXEPS8 – 8-Piece Pliers Set in EVA Foam Storage Tray
This complete set includes push-button tongue & groove, slip joint, long nose, diagonal cutting, flush cutters, and wire stripper pliers—all stored upright in a space-saving Quick-ID EVA foam tray featuring Plier ID Icons for rapid visual access. Engineered with precision tips, rust-resistant finishes, and ergonomic grips, these tools are ready for gripping, cutting, and crimping in any environment.

SXMPS6 – 6-Piece Mini Pliers Set in Storage Tray
Compact and crafted for delicate work, this mini pliers set includes needle nose, flat nose, long nose, bent nose, diagonal cutting, and end nippers. Built from high-carbon steel with fine-aligned tips and double-dipped grips, they're ideal for electrical, trim, or detail work in tight, intricate spaces. The included tray keeps everything secure and accessible in your service cart or toolbox.

SXCJPS – 2-Piece Dual-Joint Extended Reach Pliers Set
With a unique dual-joint mechanism, these 13" extended reach pliers open to 2 inches while requiring 50% less handle movement, giving techs the control they need in confined areas. The set includes straight and 45° bent nose options, both featuring flush rivet construction, serrated jaws, and high-strength alloy steel for powerful performance in hard-to-reach automotive, mechanical, or equipment applications.

Shared Features Across All Sets:

- **Double-Dipped Ergonomic Grips –** Comfortable, fatigue-reducing control
- **Precision-Aligned Tips –** Ideal for intricate work
- **Rust-Resistant Construction –** Built to withstand harsh conditions
- **Durable Storage Solutions –** EVA foam tray or molded tray depending on the set
- **Engineered for Professionals –** Meets the needs of shop techs, field repair, and mobile mechanics
- **Lifetime Warranty –** Backed by SUNEX's legendary durability guarantee

Whether you need full-size versatility, fine control in tight spaces, or extended reach to finish the job, SUNEX Pliers Sets deliver the precision and performance that pros rely on—job after job.
