### **SUNEX Tools Launches Revolutionary Jack Pads for Tesla® Vehicles**

*Jack Pads designed exclusively for Tesla® vehicles, crafted from durable, one-piece molded rubber, these universal-fit pads offer secure, scratch-free lifting for Tesla Models 3, Y, S, and X*

**Greer, SC** (February 29, 2024) – SUNEX Tools proudly introduces its latest innovation, the Jack Pads specifically designed for Tesla® vehicles. Crafted from durable, one-piece molded rubber, these universal-fit jack pads provide a secure, scratch-free solution for lifting Tesla Models 3, Y, S, and X. With features including a high-visibility O-Ring for safety, slip-resistant diamond-knurled surface, and a set of four for comprehensive coverage, SUNEX Tools' Jack Pads ensure precision, protection, and peace of mind during vehicle maintenance.

The new SUNEX Tools Tesla Jack Pads (66TLP4) are protective and easy-to-Use, and designed to prevent scratching or damage to the Tesla frame or battery components, these jack pads easily slide into place with a secure O-Ring to keep them in position during adjustments, ensuring a perfect fit without gaps. Their durable construction is accomplished from natural, one-piece molded rubber, SUNEX Tools' Jack Pads offer sturdy and long-lasting performance, acting as a buffer between the jack and frame without causing harm to the vehicle. Their universal fit makes them compatible with all four Tesla models (3, Y, S, X), these jack pads provide consistent dimensions suitable for all vehicle corners. Each set includes four jack pads for complete coverage of approved lifting points, conveniently stored in soft-sided zipper storage with an EVA foam organization tray. For added safety, they are equipped with a high-visibility O-Ring for secure placement and slip-resistant diamond-knurled surface. They are compatible with a variety of floor jacks and shop lifts, enhancing their versatility for automotive technicians and Tesla owners alike.

**About SUNEX Tools:**

Since its inception in 1977, SUNEX Tools has grown to become a leading brand in industrial and automotive workplace tools and equipment. Known for their commitment to quality and performance, SUNEX provides tools that match the dedication and hard work of professionals in various industries, from heavy-duty industrial maintenance to neighborhood auto mechanics.
