## **SUNEX Tools Expands Mobile Workspace Lineup with Two Heavy-Duty Utility Carts**

*Built for the Load. Engineered for the Shop.*

**Greer, SC** (July 1, 2025) – SUNEX Tools introduces two new Heavy-Duty Utility Carts—the Standard (8037) and Large (8039) 2-shelf models—engineered for high-capacity hauling, ultra-smooth mobility, and organized shop functionality. Whether you're rolling through routine tasks or tackling teardown work, these carts are built to move gear with confidence and keep your workflow dialed in.

Constructed from impact-resistant polypropylene and supported by a 500 lb. total weight capacity, these carts are designed for years of rugged use in professional environments. Both models feature deep storage shelves, a 6-pocket organizer tray with cup holder, and an integrated paper towel holder—plus smooth-rolling 5" hard rubber casters to glide across shop floors, concrete, or garages.

### **8039 – Large Heavy-Duty 2-Shelf Utility Cart**

For those who need more room to roll, the 8039 delivers extra width and depth without compromising control. Measuring 39.4"H x 46"W x 26"D, it's designed to carry more, store more, and help you do more. Whether you're setting up in a service bay or building a mobile tool station, this cart handles it all.

#### **Shared Features across Both Carts:**

- 500 lb. total load capacity (250 lbs. per shelf)
- Oversized 5" rubber casters for smooth mobility
- Rust-resistant zinc-coated hardware
- Heavy-duty polypropylene construction for durability
- Deep shelves for maximized storage
- Integrated 6-pocket organizer tray with cup holder
- Built-in paper towel holder
- 2 fixed + 2 spinning casters for balance and maneuverability
- Fast, easy assembly
- Lifetime performance backed by SUNEX reliability

Whether you're restocking a bay, detailing a vehicle, or setting up a mobile workstation, SUNEX Utility Carts are built to keep your tools and workflow rolling—no matter how heavy the load.
