SUNEX® TOOLS

POWER. REACH. DURABILITY.

3/4" DRIVE SOCKET SET FOR DIESEL, HEAVY EQUIPMENT, AND PROFESSIONAL SHOP ENVIRONMENTS

- **24 Tooth 20" Ratchet -** Delivers strong leverage with knurled grip, plus quick release for fast socket changes.
- **18" Flex Breaker Bar -** High torque with a knurled grip, 180° flex head for better access in tight spots and easier bolt breaking.
- **Forged CR V Steel -** High strength, wear resistant chrome polished finish stays clean and fights corrosion with minimal upkeep.
- **Radius Corner Design -** Engineered with a radius corner design that increases fastener contact, reduces rounding, and improves torque transfer, helping protect fasteners and extend tool life in demanding applications.
