SUNEX® TOOLS

PRO GRADE PERFORMANCE

4 PIECE CURVED TIP PRY BAR SET FOR AUTOMOTIVE, INDUSTRIAL, AND GENERAL REPAIR TASKS

- **Over-Molded Comfort Handles -** Ergonomic, textured over-molded handles reduce hand fatigue during extended use and provide a secure, slip-resistant grip for confident control during heavy-duty prying.
- **Durable 1055 High-Strength Steel Construction -** Each pry bar is forged from 1055 high-strength 1/4", 3/8" & 1/2" bar stock steel, delivering exceptional durability, rigidity, and long-lasting performance in demanding automotive and shop environments.
- **Integrated Striking Caps for Impact Use -** Metal striking caps allow safe hammer impact without damaging the handle. The blade extends fully through the handle into the cap for a continuous steel-on-steel striking force.
- **Flared Handle for Hand Protection -** Flared handle ends help shield the user's hand from off-center hammer strikes, adding an extra layer of protection during aggressive prying or striking tasks.

SXSPBS4 (SET) / SXSPB36 (36" LENGTH INDIVIDUAL) / SXPBMS (MINI SET)

8", 12", 18", & 24" 4 PIECE CURVED TIP PRY BAR SET WITH STRIKING CAPS - SXSPBS4

Each pry bar is forged from 1055 high-strength 1/4", 3/8" & 1/2" bar stock steel, delivering exceptional durability, rigidity, and long-lasting performance in demanding automotive and shop environments.

Ergonomic, textured over-molded handles reduce hand fatigue during extended use and provide a secure, slip-resistant grip for confident control during heavy-duty prying.

All bars feature 25° curved tips with precision-ground edges for improved leverage, enabling powerful lifting, separating, and prying even in tight or obstructed areas.

Flared handle ends help shield the user's hand from off-center hammer strikes, adding an extra layer of protection during aggressive prying or striking tasks.

Metal striking caps allow safe hammer impact without damaging the handle. The blade extends fully through the handle into the cap for a continuous steel-on-steel striking force.

ALSO IN 36" LENGTH & MINI 2 PIECE SET

SXSPB36 - 1/2" X 36"

SXPBMS (STRAIGHT & CURVED TIP) - 1/4" x 5"
