**For Immediate Release**

**Elevating industrial air blowing to new heights. SUNEX Tools proudly introduces the SXBG01K 1/4" Blow Gun Kit.**

*Crafted with precision and designed for maximum efficiency, this kit is a game-changer for diverse air blowing applications with its high performance. Fully outfitted with a venturi tip, precision tip, 2 extension tips, full metal housing, improved seals and conveniently stored in a EVA foam tray.*

**Greer, SC** (November 10, 2023) – Designed to meet the demands of high-volume airflow tasks, the SXBG01K boasts a compact yet robust industrial-grade design, providing unparalleled performance for a wide array of jobs. Featuring a durable construction and versatile tips, this kit ensures readiness for any task at hand.

Elevate your air blowing capabilities with our meticulously designed 1/4" Blow Gun Kit, a compact powerhouse built for high-volume airflow. Its durable construction and versatile tips ensure readiness for any task, while the integrated storage tray keeps you organized and efficient. Engineered for industrial-grade performance, the kit effortlessly handles diverse tasks with its powerful airflow and large diameter venturi tip, efficiently clearing debris and rapidly drying wet areas. Crafted for longevity, its metal housing and improved seals guarantee exceptional durability in demanding work environments. With 4.75" and 3.5" protective rubber end tube tips and a precision tip, it offers versatility for accessing tight spaces and detailed work. Stay organized and efficient with the included EVA foam storage tray, ensuring every component is easily accessible. In addition, the SXBG01K conveniently ships in a 5 pack counter or shelf display as well.

This blow gun kit represents a significant leap forward in air blowing technology," said Samuel Marshall, SUNEX Tools Product Manager. "Its precision, power, and versatility make it an indispensable tool for professionals across industries."

The SXBG01K 1/4" Blow Gun Kit from SUNEX Tools is available in Q1 2024 for purchase, delivering unmatched performance and reliability for all air blowing needs.
