Revolutionizing Automotive Organization: Introducing the SXMAGMAT 8" x 10" Flexible Magnetic Mat

SUNEX Tools launches the latest addition to their Shop Equipment line with a lightweight magnetic mat that carries a punch with an impressive weight capacity of 35-40lbs.

Greer, SC (November 10, 2023) – SUNEX Tools unveils the SXMAGMAT, a groundbreaking addition to the automotive technician's toolkit. This 8" x 10" magnetic pad is engineered with high-power rare earth magnets, offering an exceptional hold for tools and parts, facilitating easy organization within the engine bay, lift posts, or toolbox.

The SXMAGMAT 8" x 10" Flexible Magnetic Mat, a game-changer for automotive technicians seeking superior organization and convenience. Featuring high-power rare earth magnets, this compact 8" x 10" pad boasts an impressive weight capacity of 35 - 40 lbs, effortlessly securing tools and parts in the engine bay, lift posts, or toolbox. Its flexible design and non-marring, fluid-resistant PVC outer layer ensure a secure grip while protecting surfaces from scratches and shop fluids. Designed for versatility, this magnetic mat guarantees tools stay firmly in place during movement, making it an essential addition to any technician's workspace, accommodating various automotive applications with ease.

Right: The SXMAGMAT and the SUNEX 1522A (22 Ton Jack Stand) used on the lid of the SUNEX 8057 Service Cart

Our 8"x10" Flexible Magnetic Mat offers a new level of efficiency and organization for automotive technicians," said Walt Herbert, SUNEX Tools Product Manager. " Its robust magnetic grip and versatile design make it an indispensable asset in any automotive workspace."

The SXMAGMAT 8" x 10" Flexible Magnetic Mat from SUNEX Tools is available December 2023, revolutionizing automotive organization and efficiency.
